

*Issued: April 3, 2020*

### **Perkins V State Plan Submitted**

**On March 26, the State Board of Education unanimously approved the submission of Georgia's Perkins V State Plan by the original April 15 deadline.** Superintendent Woods appreciates the collaboration with the Governor's Office, TCSG, business and industry, and local districts in the development of this plan.

### **Perkins V Comprehensive Local Needs Assessment (CLNA) Completion and Submission of the Local Application Deadline Extended**

**Based on additional flexibility provided by USED, the Georgia Department of Education is extending the original May 15, 2020 deadline for the completion of the Perkins V CLNA and the Local Application submission by three months (August 15, 2020) for systems who need extra time due to the impact of COVID-19.**

Local eligible recipients needing the above flexibility should keep their CTAE Region Coordinators up to date on the status of their CLNAs and Local applications. GaDOE CTAE commits to working diligently to review and approve Local applications as quickly as possible.

GaDOE will issue its FY 21 Perkins V subgrants on schedule to enable the local recipients to continue to seamlessly administer its Perkins V programs and services.

### **State CTAE Grants**

**State CTAE Grants are still due on May 15, 2020.** The GaDOE CTAE Accountability Team began virtual technical assistance workshops last week that help local CTAE Directors with the completion of these state grants.
